

AERIS COLLECTION

by Robin Rizzini

When designing the Aeris collection, I envisioned a scene of people enjoying each other's company—engaging in conversation, relaxing, or dining together. Imagine a glass of wine surrounded by nature's vibrant hues, a gentle breeze, the scent of the sea, and the aroma of summer blooms—a true celebration of our beloved earth. This collection celebrates purity in materials. It features the natural elegance of teak paired with the sleek, technical allure of aluminum. These elements are gracefully united by rope, symbolizing both connection and comfort, and bringing the circle of this lightweight, refined collection to a harmonious close.
